Thanks to The Columbian Hazel Dell Car Wash had 205 customer responses in just one month.

I've been advertising **Hazel Dell Car Wash** in Clark County for 24 years and I've tried everything from direct mail to radio. I even tried a guy in a Tiger Suit. By far, the best advertising value I've found is The Columbian's Coupon Marketplace. In January 2009 alone, we redeemed 205 coupons from our Columbian advertising.

Since we started advertising in The Columbian, we've added many regular customers to our base. You can bet that I'll continue advertising every month in The Columbian for the next 24 years.
