Good evening, Jeanne. I sent you an earlier note, but if you're like me, it's lost in the other 400 emails! Daybreak Youth dinner is this Saturday night. We have a seat at our table that's open, if you'd like to join us. Hilton 6:00 pm

Councilor Stewart - I want to thank you again for your valiant efforts at Good Governance. I continue to be appalled at the behavior of your fellow Councilor members - and just want you to know that I am deeply grateful for the courage it took to make the statements you have recently - and most importantly, for your desire to ensure a fair process while governing. Please keep up the good work, and know that there are many people who are grateful for your efforts.

APR 8TH, 7:11PM

I wanted to thank you for your professionalism, and care as a County Councilor. I am sure that there are times when it is difficult and trying - and I just want you to know that there are many of us who appreciate your demeanor and class. I am sending similar messages to Councilor Olson and County Chair Boldt. Thank you again - and hang in there!

Dear Ms. Stewart:

I would like your reaction to the following article, which succinctly states the case for the Alt-4 proposals which you and two other councilors recently rejected.

http://www.thereflector.com/opinion/article_4a505aa0-e570-11e5-8e51-07d7e1b7fe8b.html

I have to say that from my vantage point, your public demeanor and your votes on this and other recent matters seem primarily to reflect your personal animus toward David Madore, rather than what's best for the citizens of Clark County. But if I'm wrong about that, I'd be more than interested in hearing your justification, especially on this issue as well as your vote terminating the voter-approved east-county bridge study group.

Regards,

Tom Sharples

Thank you for all your work for Clark County.

I voted for you to be chairman, and now I hope you will continue to defend the "big picture" and rational outcomes for the county. It's exhausting to observe the meetings, and to see the counselor for my area behaving inappropriately.

From what David Madore says in the following, I'm not surprised with Boldt but I am disappointed with you.

"So sad to see such an epic failure this evening:

I had some hope that newly elected Julie Olson would have a good start. She had such an opportunity to be a voice of reason and a great chance to support the citizens.

But, 8 times, Julie Olson joined Marc Boldt and Jeanne Stewart to vote against thoughtfully considering our previously adopted citizen supported conservative policies in a work session. She chose instead to repeal all conservative policies including those approved by the majority of Clark County citizens in county-wide advisory votes.

The hastily thrown together Repeal Everything Resolution was crafted by staff without the knowledge or approval of our Board the week before Julie Olson and Marc Boldt took office.

More damage is yet to come as they've scheduled an agenda item to repeal our 2% property tax cut on Tuesday.

All of this is without publishing the standard public notice in our newspaper or record, the Reflector. I pray that Julie Olson will ask herself "What have I done?" and realize what a disastrous course has been set

Our RTC meeting just prior to this terrible meeting this evening announced that they've chosen to resurrect the CRC. That is perfect timing now that Boldt, Stewart, and Olson voted to remove our county's opposition to Light Rail and the voter approved guiding principles that were to protect citizens from that boondoggle. It's a sad day for Clark County citizens."

Councilor Stewart, you probably don't remember me but I wanted to take a minute and thank you for your service to the County. I appreciate your deliberate and independent approach to governance. I am a conservative and agree 100% with your stances on property taxes, adjustments to county planning regarding the GMA. I'm sorry you were not elected County Chair and hope you will be re-elected in your district, although I know it's not R friendly. Anyway, long and short of it, you're doing a great job. You are appreciated and have a happy holiday season!

Can you advise me regarding the recent budget discussions? I heard the Sheriff's Office is going to see a 2% reduction in their budge. I'm not sure if that is true or not, but if so, it greatly concerns me. Thank you again.

Jeanne Stewart, I respect you very much, and I wish you were in the running for chair. But you aren't, so are you going to make an endorsement or make a statement about the write-in? If they are counting on your votes that could be a real let down if you advise those people to vote for Boldt. My view is I don't want a Madore proxy in office. I want an independent person.

09/14/2015 1:04PM

I see that Boldt has sold the county voters down the river, by voting for the cran gerrymandering. Disregard my previous comment.

Ms Stewart, I want to support you for council chair but I'm leary after hearing you were funded for office by Madore. I feel like he has worked so hard to cause our community to be divisive like Washington DC and I don't want that from him or anyone he has under his thumb. That being said, I'm not one to dance around the issues so I wanted to come directly to you vs assume what I hear is true. I'm interested to hear from you and what your ideas are for the county as council chair.

Thanks in advance.

I am happy to say to anyone; "Yes, I support Commissioner Stewart." Please keep up your good works! Your commitment to the all folks in Clark County is indeed most commendable. Thank you.

My 2 cents, I was brought up to give an answer to someone who asks or at the very least to say you won't answer that question.

Thanks much and have a great weekend!

Ms. Stewart how could you have voted with David Madore and Tom Melkie on the C-Tran vote? It was made available to all board members on Oct. 8th. I voted for you several times over the years because you have always used sense when dealing with others. But this makes no sense to me at all. Please don't follow. Be the leader that I voted for. Don't let your detractors be right about your relation with Madore.
